MBTA announces elimination of all subway slow zones

Boston Herald
December 19, 2024

MBTA returns 2.4 million minutes to riders daily after 14 months of slow zone work

PRESS RELEASE

Governor Healey, Lieutenant Governor Driscoll, GM Eng Celebrate Removal of Slow Zones for the First Time in 20 Years

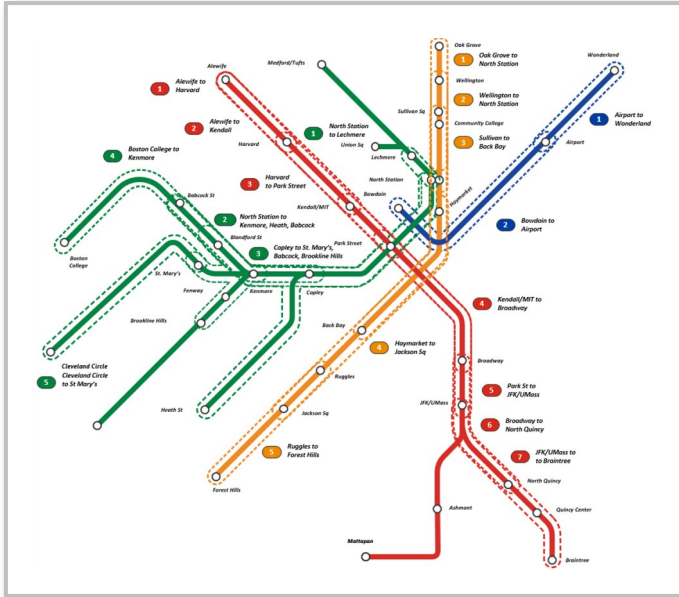

MBTA's Track Improvement Program removed 220+ speed restrictions and replaced 250,000+ feet of rail, saving riders 2.4 million minutes every weekday and generating \$1 million per day in economic benefits

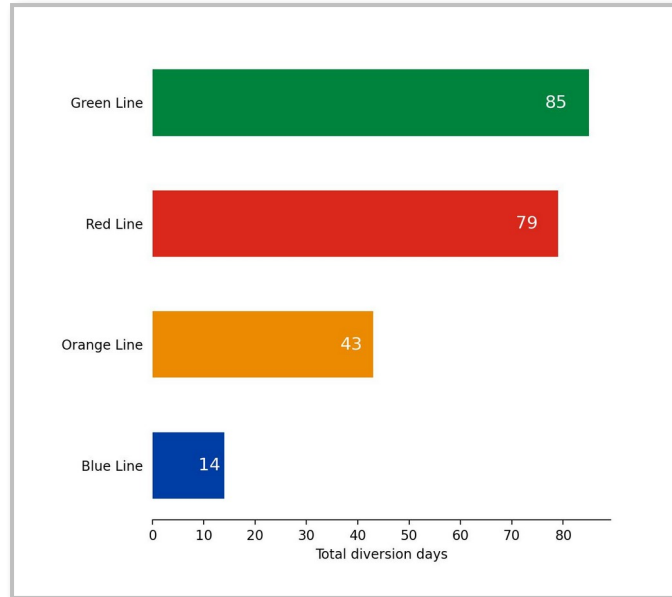

Strategy 1

Build a strong plan

Identify work sections

Repair by greatest need

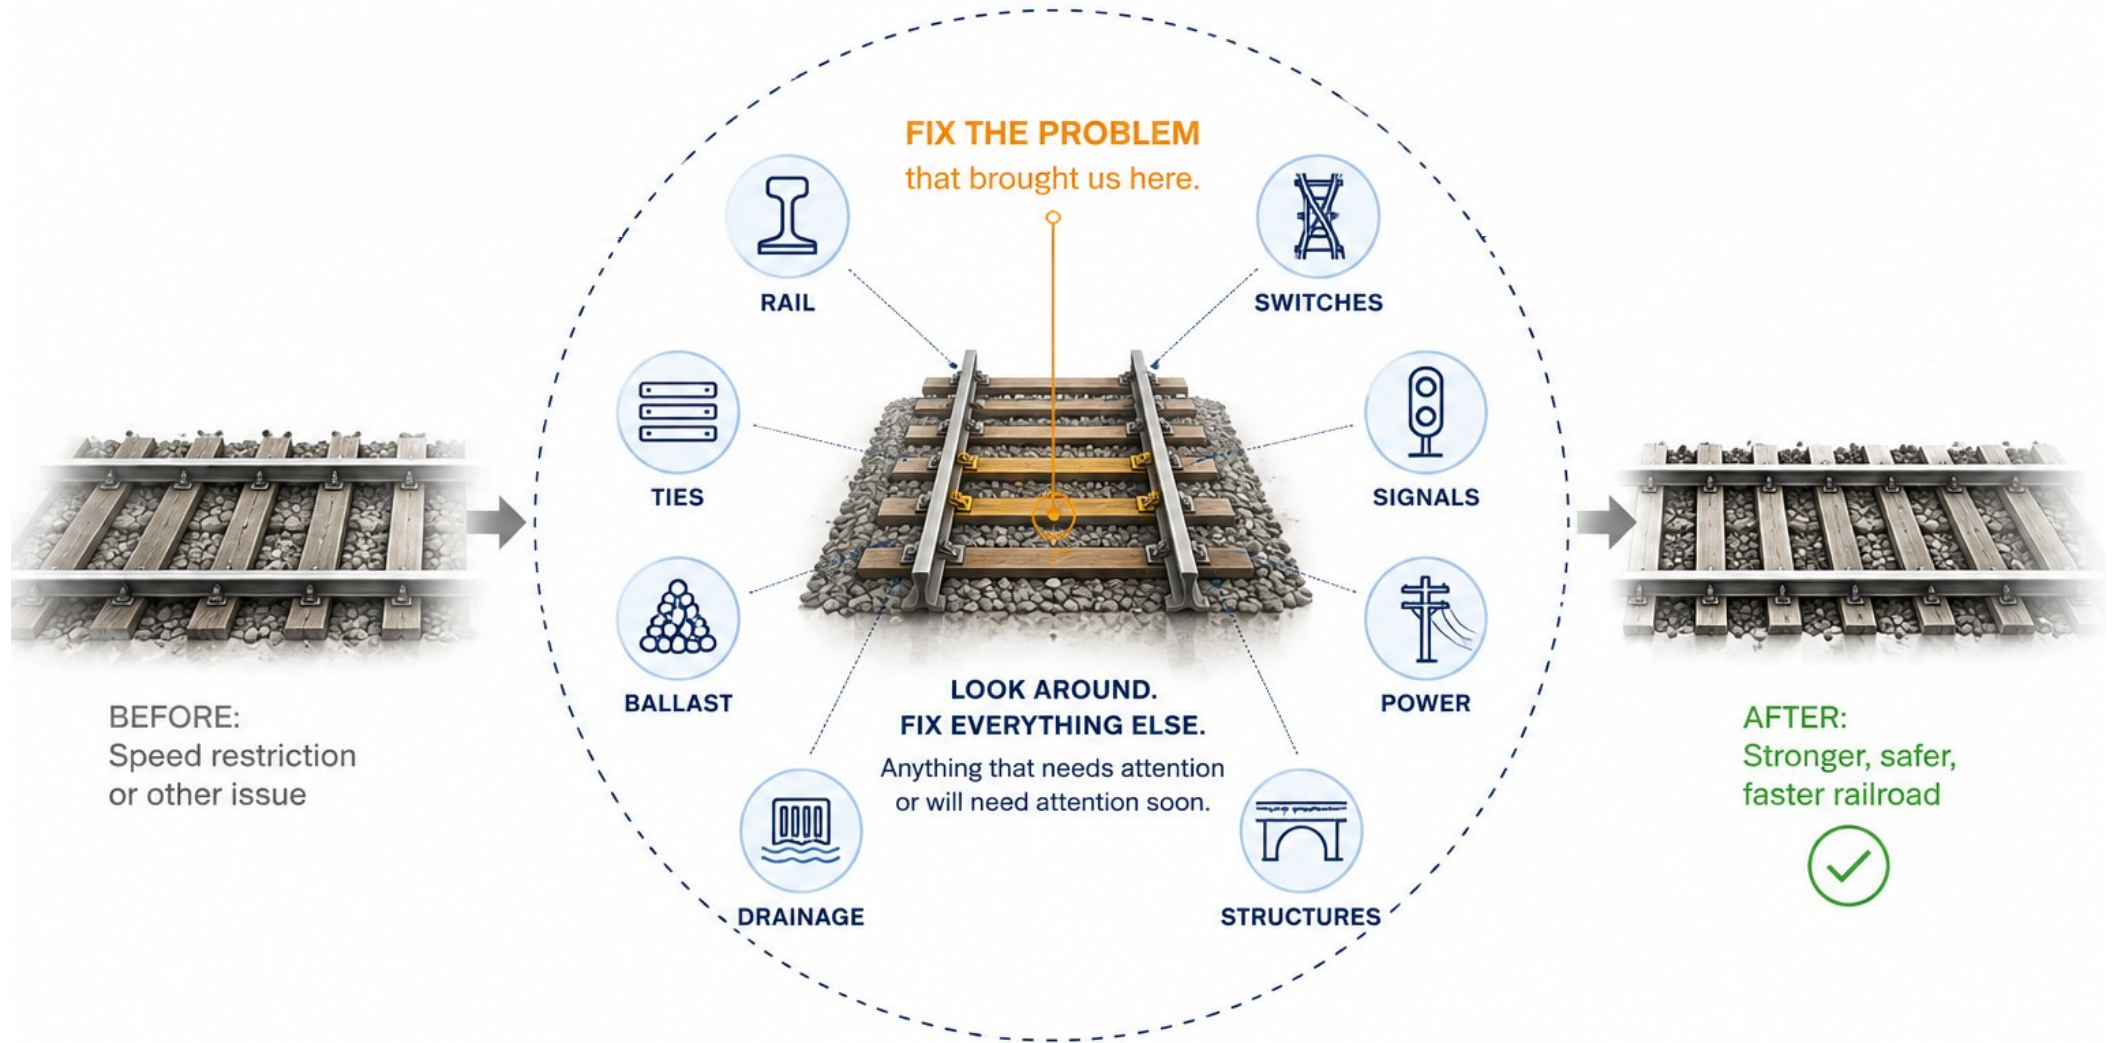

Schedule for efficiency

DIVERSION DAYS	Green	Orange	Red	Blue	TOTAL
NOV 2023	9				9
DEC	10				10
JAN 2024	23				23
FEB	9		9		18
MAR	9	4			13

July's Red Line Closure Fixed 9 More Slow Zones

The T's 16-day closure of the Red Line in Cambridge earlier this month has apparently removed 9 more slow zones on one of the busiest segments of the region's subway system.
